Quarter Times

Over Term 3, it has been wonderful to see so many of our learners taking to the stage as a part of our school concert, "All Around the World". Learners have been learning dances across the term in their music sessions. It was great to see all these rehearsals pay off last Wednesday as they performed with enthusiasm and excitement on the stage. We wish to acknowledge and say a big thank you to all the families who supported their children to have a go on stage. Your encouragement, and attendance on the evening, sends a strong message to them about how much you value their efforts and the learning they do at school. Thank you for being a part of this strong community message about the value of education, challenging yourself and having the confidence to perform on stage. ACHIEVE Goals at QPS.

We thank the parent volunteers for their time and energy in helping to make some costumes.
