## 2025 Parent Payments

Dear Parent/Guardian,

Quarters Primary School is looking forward to a great year of teaching and learning and would like to advise you of Quarters Primary School's voluntary financial contributions schedule for 2025.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support will allow us to purchase quality learning materials and equipment across the school, offer a wide range of subjects and special curriculum experiences and enhanced digital learning opportunities.

Without these voluntary contributions from our families, our ability to enrich the learning experiences beyond the standard Victorian curriculum will become extremely challenging. As always, Quarters Primary School makes every effort to keep the cost of items and activities to a minimum and affordable for all parents.

### **BREAKDOWN OF CONTRIBUTIONS PER STUDENT:**

Curriculum Contributions **\$110.00**

Other Contributions **\$40.00**

Educational items for students to own (KaKa Kids Stationery Pack) **\$70.75 – \$88.15** (varies by year level)

Extra-Curricular Items such as excursions, sport activities and camps - advised throughout the year via Sentral.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

*Liz Davey*  
**Principal**

*Patricia McColley*  
**School Council President**
